

## **Financial Aid Application**

Camp Marist is committed to offering scholarships to make camp more affordable for families with economic challenges. However, we want to offer scholarships in as fair of a way as possible so we can include more families. Therefore, please note the following:

- Families must show economic need by providing us with valid, verifiable information regarding salary, living expenses, school tuitions, etc., and clearly state the reason for need of assistance.
- Application and all supporting documents must be submitted by March 31.
- Session enrollment will be subject to space availability and will be assigned in the spring.

By filling out this application, you agree to the sharing of this information where necessary to get this application processed. Beyond said sharing, this information will be kept in the strictest of confidence.

## **Application Process:**

- Fill out this form in its entirety. On page 2 of this application, or on a separate sheet of paper, please describe your economic/family situation. Please be detailed and specific. Be sure to include any pertinent information that you feel may assist us in our decision.
- Indicate the realistic contribution the family can make towards the camp tuition. This amount must be supported with documentation such as tax forms. We strive to provide fair accommodation to as many families as may need it.
- Return the application with supporting documentation by March 31.
- Once a decision has been made, Camp Marist will contact you via phone or letter. Final determinations will be made prior to May 1.
  - Any family awarded and accepting a scholarship will need to register for camp through our website and submit the registration fee by May 15.
  - Scholarships will include two free paid activities. Fees for additional paid activities or special trips would be the responsibility of the family.

Camp Marist reserves the right to award or withhold scholarships at our discretion.
